Harmony Language Intensive Program

Full Time

Program Description

This program is based on 4-week courses that allow students to rapidly improve their English skills. It covers all four aspects of the English language: speaking, listening, reading and writing, with a particular focus on grammar. The student will begin the course at the most suitable level for their ability, and advance one level every consecutive 4 weeks. We recommend that students take 12- 20 weeks to achieve significant improvement; and for those students with a minimum knowledge of the English language we recommend 6-12 months of studies.

Admission Requirements

There is no minimum English level required for admission to our English Program. Before starting all the students must take a test HARMONY ENGLISH LEVEL to determine the student's current level of English.

Our Programs are committed to helping students improve their communication skills and knowledge of the English language through a dynamic, fun classroom environment and timely topics.
